Hi Heidi and Simma,

Attached is a very draft version of the FRN for your review. We essentially took Simma's draft preamble and reg and put it into the FRN format because we thought that it would be a good start. I'll be working with our reg manager to make sure the formatting, the outlined public participation process and the EO discussions are accurate.

Please let me know what you think and you can share any edits that you have in track changes.

Thanks!
Nizanna
